

# Insulated Rubber Boots

**SERVUS**

Northerner and Servus brands of footwear have always been steadfast in delivering quality, comfort, and tremendous value. These rubber boots are made with uncompromising standards and quality. The result is an exceptional product at the best available price. These insulated rubber boots deliver the comfort and durability Americans have come to rely on. Designed with the Trac Tread™ outsole for extra grip and slip resistance and long-wearing premium grade rubber, these boots ensure superior performance and long-term use.

Designed with the Trac Tread™ outsole for extra grip, these long-wearing premium grade rubber Northerner boots ensure superior performance and long-term use.

- Rubber is formulated to resist ozone deterioration
- Flexible, hand-layered construction
- Rugged, comfortable fabric lining for easy on/off
- Cushion insoles reduce fatigue for all-day comfort
- Ultra composite shanks reinforce construction and support the arch
- 100% waterproof
- Polymeric foam insulation provides additional warmth

These 100% rubber boots are designed with the Trac Tread™ outsole for outstanding traction and polymeric foam insulation for extra warmth. The sturdy construction and value of these boots makes them a reliable and smart choice.

- Durable, ozone-resistant rubber for long-lasting wear
- Flexible, hand-layered construction for performance even in cold weather
- Tough, comfortable fabric lining for easy on/off
- Rugged, long-lasting fasteners
- Supporting steel shanks strengthen construction and support the arch

RANGER

# Rubber Boots

These popular rubber boots are ideal in damp or muddy conditions. Made of the same high quality premium grade rubber as the insulated styles, these boots are designed to reduce fatigue for all-day comfort. Rugged, comfortable fabric lining lets feet slip in and out easily. 100% waterproof, flexible hand-layered construction provides protection from the elements. Built tough, yet comfortable, these boots are indispensable when working outdoors.

### A111 Forest Green
